INSURANCE

International medical insurance is mandatory on every BikeHike adventure. Trip cancellation/interruption insurance is highly recommended.

We can offer a comprehensive insurance policy through Travel Insurance Services for citizens of Canada or the United States. Citizens of other nations will need to supply their own coverage. The cost of this plan is 7.5% of your trip cost and combines trip cancellation/interruption, medical (up to \$100,000 US) and baggage coverage (up to \$1000 US). Please contact our office for details.

If you do not purchase our insurance policy, you will need to sign and decline our insurance on this form and will need to supply our office with proof that you have international medical coverage prior to departure.
